Tournament Rules

1. Teams and individuals must have entered via the gomembership page.
2. Each team must have 4 players with a maximum of 2 male players.
3. There are no substitutes and teams cannot play with less than 4 players.
4. There are 2 exceptions to rule 3:
    a. If a player has to withdraw due to Covid related issues the team can replace that player prior to the tournament starting. You must inform the organisers of the name and change of the player before playing.
    b. If a player has played but has to withdraw due to injury the team can substitute that player for the remainder of the tournament (the original player cannot return to the court) and the new player must play with you for the remainder of the tournament.
5. The club does not accept any responsibility for personal injury. We do have public liability insurance.
6. Net height will be in between men's and women's height
7. All **indoor volleyball** rules apply unless otherwise specified. e.g. you can volley the first touch, a block doesn't count as a touch etc.
8. Everyone is allowed attack (there is no front court/back court)
9. You must rotate your servers in order and keep that order for the game
10. The server is not permitted to block.
11. Each match in the pool rounds is 1 untimed set to 21, switching sides every 7 points and win by 2.

12. The pools are self-managing i.e. once a match is over, the winning team must bring the score to the organisers desk and confirm the score to the organiser. The next teams go on to play.
13. Facilities to sanitise the balls will be provided if anyone wishes to sanitise their balls before playing.
14. Teams are required to referee and score keep. Please check the fixtures for when you are required to referee.
15. Teams must be available to play once the match before them finishes up. 5 minutes between matches can be used to warm up or to sanitise hands and the ball to be used.
16. Download 'Virtual Scoreboard' on your phone and use this to track the score. There will be no scoreboards in use on the day.
17. Download 'Tournify' to see all your fixture and track your progress throughout the tournament.
18. Since this is a recreational tournament items not covered in these rules will be covered with the organisers on the day.
19. Referees on the day are not qualified so please be sportsmanlike and still accept their calls; if you're a ref replay any contentious rallies you are unsure of rather than arguing over it with the 2 sides.
20. Strong hitters (men and women) please check out the opposition and if there are beginners on the opposition, please do not hit at them!
