

VI Volleyball
Ireland
Licensed Coach
Development Officers
Casual Contract

Background

Volleyball Ireland is a progressive National Governing of Sport in the twenty-six counties of Ireland. We value integrity, ambition, inclusivity, teamwork and a passion for continuous improvement.

With a multi-cultural membership, strong schools programme and dedicated volunteers operating at all levels of the game we are excited about our future growth.

The sport is undergoing a period of change with participation rates across both Volleyball & Beach Volleyball formats of the game rising. With a new brand identity, innovative programmes and exciting competitions being developed, the future for Volleyball in Ireland is bright.

We are looking for energetic, passionate and determined **Licensed Coach Development Officers** in various regions across Ireland to help continue the sport's rise, working within schools and the community to grow the game. The Development Officers will be licensed to deliver a range of programmes on a casual contract basis – this means you can deliver Volleyball at times and on days that suit your lifestyle.

The Licensed Coach Development Officer will be responsible for delivering some exciting projects including: Schools Volley Coaching, Social Volley, Transition Year Leaders Course and our new Play Volley programme. Dependant on your location, you may also be interested in delivering Beach Volley programmes as well during the Summer months.

This is an exciting role for someone with a passion for sports development and the energy to inspire young people and new players into Volleyball. There is an opportunity for the right candidates to build a successful work programme.

Key Responsibilities:

- The Licensed Development Officer's primary responsibility shall be the delivery of key programmes to get more people playing volleyball, including: Social Volley, Play Volley, Chair Volley, Park Volley and School Volley.
- Deliver coaching sessions in line with the principles of Volleyball Ireland's Long Term Player Development model.
- Promote programmes within your local area, growing revenues.
- Ensure the correct implementation of key policies and processes.
- To keep the National Development Manager apprised regarding the delivery of activities and regarding any risks that may present themselves.

Experience & Knowledge:

- Proven ability to deliver sports programmes and activities.
- Knowledge of key principles of Safeguarding policies and processes.
- Knowledge of the sporting sector and how it operates.
- Experience and/or relevant sports coaching qualifications.

Competencies & Attributes:

- Can communicate effectively with a wide range of stakeholders.
- Is energetic, highly motivated and enthusiastic.
- Copes well with continual change and tight deadlines.
- Is motivated to raise participation in sport.

Terms, Conditions & Benefits:

- Casual contract – meaning you can work at times that **suit your lifestyle**
- Access to Sport Ireland training opportunities in a range of relevant topics

Process:

- Deadline for expressions of interest is midnight Sunday September 26th
- Please send a cover letter and CV outlining your suitability for the role to info@volleyballireland.com
- An information session will be held over the coming weeks providing more detail on the opportunity
