

Volleyball Ireland would like to say a special Thank You to John King for all his work in maintaining/updating the school results over the years.

SCHOOLS VOLLEYBALL FINALS

The 1st record of Schools finals goes back to 1967 to a senior girls win by Abbeyleix but the winners list only recommenced in 1972. The longest list is from 1968 cadette A girls with only 1970 and 1984 (where runners up were Pres. Tuam) missing. I recently met a brother of a girl that played for 1st Winners Loreto Cavan in 68

There seems to have been B and C girls in the early 1980's but I cannot find any continuous record. Around 1987 schools volleyball broke with Basketball. Boys volleyball seems to have commenced then. There was boys volleyball competition in the Northwest in the early 1980s and Tailteann games /Dublin V.E.C. in the 1970s

All Ireland North South Cup; (commenced in 03/04.)

Republic A champions vs Northern Champions except:

Senior boys; 08/09: Brigid's played for Kiltimagh.

Senior Girls; 06/07 Kilkenny played for Callan 08/09 Naas played for Claremorris

Cadette Boys; 04/05 Elphin did not play. 08/09 Drumshanbo played for Milford

Cadette Girls; Callan did not wish to play in 05,06,07 replaced by B champions Brigid's in 07. After very one sided match in 08 It was decided that the C champions would represent the south in 09. When they lost it was decided the B champions would represent the VAI in 2010. In 2011 Callan B champions did not wish to play so Brigid's A runners up played. This is the only competition that had this problem.
