

VLY Championships 2022-23

Competition Information

Gormanston,

25th & 26 February 2023

Introduction

The VLY Championships return after a Covid-19 enforced break and will be played at Gormanston College over the weekend of 25th & 26th February.

The intention of the Championships is to provide a more social environment for up-and-coming teams to play against other teams of a similar standard.

This year sees over 40 teams taking part, across five competitions – two for men, two for women and a mixed gender competition. The men's and women's competitions will be played across both days, whilst the mixed competition will be played to a conclusion on the Saturday afternoon.

The key to the success of this weekend is the wish on all sides to keep matches moving, so we would ask everyone taking part to work on this basis.

Timetable & General Info

Some key information for noting ahead of the Championships.

- a. The event is being hosted by Volleyball Ireland at Gormanston College.
- b. Teams must be present at least 30 minutes before the scheduled start time of their first match on each day.
- c. Prior to taking to the court, teams must complete player registrations – this can be done by each player or, preferably, by the team contact. Note that Premier Division players (i.e. players who has played in any Premier Division match(es) this season) are ineligible to play.
- d. Match balls are provided for use in matches only.
- e. First Aid coverage will be provided by *Code Blue*. In the event of any injury issues during the event, VLY will defer to any advice provided by *Code Blue*.
- f. The college will be providing a limited café service throughout both days, so you may wish to bring additional refreshments as required.
- g. The match schedule, results and tables can be found on the Tournify app, which we would encourage teams to download prior to the event.
- h. Teams should look like teams when playing, and as a minimum playing shirts should all be of the same design, colour and be numbered.
- i. Teams should be ready to play their match five minutes prior to the scheduled completion of the preceding one.
- j. We would ask that at the end of each match, you ensure the bench area is cleared of bottles, clothing etc, given the short turnaround time before the next match.
- k. When leaving the venue after a team's last match of that day, we would ask that the team contact return to the tournament desk to "sign out" for the day and, in addition,

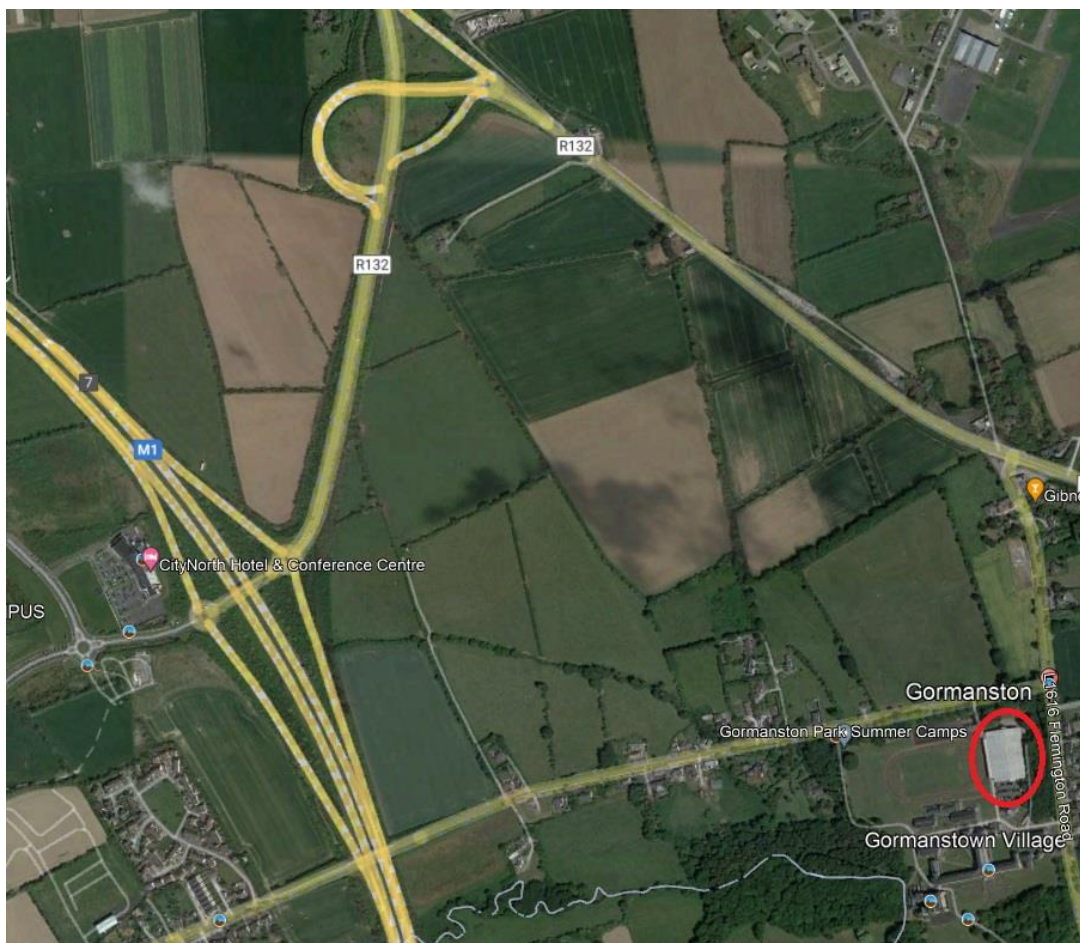

we would ask that you take all litter and rubbish home with you – please don't assume that someone else will tidy up after you.

- l. No alcohol or smoking is permitted at the venue.
- m. No photography is permitted throughout the event. Anyone who wishes to attend as an official photographer for a team must sign in each day at the tournament desk.
- n. Please remember that with over 40 teams taking part across the weekend, there are inevitably going to be down periods, where your team will have a wait to play their next match.

Venue and Location Information

This year's VLY Championships are being held at Gormanston College, Co Meath. This venue has been used for a number of years and has four courts that will be used throughout the weekend.

- a. **Getting here:** The College is located 5 mins from Junction 7 of the M1. The Eircode is K32 NH30 and the Sports Hall is located at the north end of the car park, adjacent to the running track area.
- b. Map:

Player Registration

Teams need to confirm their squad list to VLY, on the relevant form, by close of business on 21st February. We would ask teams to respect this deadline given the need to organise the paperwork for 40+ teams taking part across the weekend. Teams can be registered either on a standalone form or through JustGo, by allocating players to Championship teams.

Teams are asked to arrive 30 minutes prior to the start of their first match on each day, in order to complete their player registrations.

For each player listed on the squad list, the competitions committee needs to see a piece of photo ID that correlates a head & shoulders photo of the player with their name just as would happen in NL matches. Any player who cannot meet this requirement will not be able to take part in the Championships. Additional spot checks may take place throughout the weekend to ensure continued compliance with this rule.

For each match, teams can play a maximum squad of 12, and there can be no interchanges during the match between anyone in that 12, and any other player in the above confirmed squad. Those additional players will be asked to support from the balcony above the courts. For the mixed competition, there must be a minimum of three female players on court for a team at all times.

For the semi-finals and finals, 12's will need to be listed on the official match scoresheet.

Format and Draw – Updated as of 23rd February

Five tournaments will be played across the weekend. The formats for each are as follows:

Men's Junior – 8 teams AND

Men's Intermediate – 8 teams

Teams have been drawn into two groups of four. Teams will play the other teams in their group once, and then all teams will contest crossover quarterfinals (1st vs 4th, 2nd vs 3rd). The four QF winners will then compete in semi-finals, with the winner playing in the Final.

Women's Junior – 12 teams

Teams have been drawn into four groups of three, with teams playing the other teams in their group once.

At the end of the group stages, the teams finishing in second and third place in each group will play crossover play-off matches, with the winners of those matches joining the four group winners in the QF. The four QF winners will compete in semi-finals, with the winners playing in the Final.

Women's Intermediate – 4 teams + Ireland U18s

The four teams will play each other once in the group stages. In addition, each team will play a friendly match against Ireland U18s, but these results will not count towards final positions for either team.

At the end of the group stages, the four teams will contest semi-finals, with the winners playing in the Final. With a lower number of teams taking part than originally planned, matches on the second day will start later.

Mixed Recreational – 10 teams.

Teams have been drawn into two groups of five, with teams playing the other teams in their group once.

At the end of the group stages, the top four teams from each group will contest crossover quarterfinals (1st vs 4th, 2nd vs 3rd). The four QF winners will then compete in semi-finals, with the winners playing in the Final.

Details of the draws for each competition are found in Appendix 1. **Please note that because of a number of changes in the number of teams in each competition, group draws and timings of matches may have changed from the previous schedule circulated to teams.**

Format for each match

Each match will consist of two sets, with the first to 15 (or 2 clear points after 14-14) winning the set but matches in total are limited to a maximum of 25 minutes.

The point in progress when time expires will be completed, and the team leading an unfinished set at that point will be deemed to have won that set.

Example – Team A wins the first set 15-5, and Team B leads the second set 12-8 as time expires. Team B wins the point in progress and will therefore have won the second set 13-8.

Teams can call one timeout per set.

Substitutions are permitted, although any interchanges of players must take place with the knowledge and permission of the referees.

In the final two minutes of a match, no substitutions or time outs are permitted.

Any teams who are late to their court will be fined two points for every minute that they are late.

Teams will earn two points in the group table for each set won, and one point each for a drawn set. At the end of the group stages, positions shall be decided based on group points. Ties will be broken on the following basis:

- Most group points,
- Points difference (on the court) in all group matches,
- Head-to-head result(s) between teams tied,

If the above fails to break a tie, then positions will be decided by the drawing of lots.

Men's and Women's Semi-Finals and Finals, and the Mixed Final will be played as a best of three sets (Mixed SFs will be timed).

Please note that if a team fails to return to play on the Sunday, they will be considered to have lost those matches 15-0, 15-0.

Tournify is our tournament software, and a link is [here](#), which outlines the match schedule, groups and format. This will be updated in the build up to the event, and the information within should not be considered final. Tournify is available to download on both the Google Play and Apple Store.

Referees & Scorekeepers

Two referees will officiate each match, along with one scorekeeper.

Given the lack of referees available for the weekend, we would be grateful if teams would assist in the appointment of referees and scorekeepers to matches. Ideally teams should make someone available to keep score in a match in the preceding round for their next match (e.g. if a team's next match is 1300, they should make someone available for the 1230 round of matches – albeit may not be needed).

In addition, a timekeeper will ensure that all matches start and finish at the designated times, and the two-minute warning at the end of matches will also be announced.

Please note that referees may be appointed to matches either before or after their team has finished playing matches, so please keep an eye on the tournament page to check appointments.

At the end of each match, we would ask that the scoresheet be returned to the tournament desk asap, so that the result can be uploaded to the tournament database.

Appendix 2 – Match Schedule

Please note that this schedule is subject to change – the most up to date list can be found on the Tournify app. Every effort has been made to avoid long breaks between matches for teams, but with the number of teams taking part, apologies for any oversights in this regard.

Day	Start	Court	Phase	Division	Group	Team 1	Team 2
