<b>3.11</b>	<b>Players playing up and/or down</b>																					
	<p>3.11.1 in National League competitions only, a player aged 18 years or older on 1<sup>st</sup> September of the year in which the league commences may play nine sets for a higher division Team at the same Club without affecting their own grade. Upon playing their 10<sup>th</sup> set, the player is automatically upgraded to the higher Team. For the remainder of the season, the player may not play for the lower division Team in any VI competition.</p> <p>For the avoidance of doubt, stepping on court for all or part of a set shall count as a set for the purposes of this clause.</p>	<p>Clauses 3.11.3, 3.11.4, 3.11.5, 3.11.6</p>																				
	<p>3.11.2 Responsibility for counting sets, as outlined in clause 3.11.1 rests with the Club, and VI and the NLMC accept no responsibility for any oversight by the Club in this area. The Club Secretary may contact VI to check details in relation to clause 3.11.1.</p>	<p>Clause 3.11.6</p>																				
	<p>3.11.3 In National League competitions, players aged under 18 on 1<sup>st</sup> September of the year in which the league commences may play an unlimited number of sets for a higher division Team in their Club without affecting their own grade.</p>																					

	3.11.4 Players may only play up for one Team in any season, irrespective of whether that Team is one or more grades ahead of the player's initial grade.	Clauses 3.7, 3.11.1
	3.11.5 No registered player may play down into a lower division National League Team.	Clauses 3.7 & 3.11.1
	3.11.6 If a Libero from a lower division Team is named on the scoresheet, they are deemed to have played every set in the Match unless indicated on the scoresheet by the Match Officials.	Clauses 3.11.1 & 3.11.2

<b>4 FIXTURE PLANNING</b>		Also refer:
4.1	<p>The NLMC will plan the dates of all National League competition fixtures. These fixtures will be sent to all Club Secretaries at least four weeks prior to the commencement of the National League programme.</p> <p>All Clubs will then have two weeks to finalise the dates and times of their home fixtures, details of which must be shared with VI.</p> <p>An additional window will then be given to clubs if they need to amend such dates for their away matches, in conjunction with the host club. This may include flipping home and away hosting and/or changes of dates and/or times but, in all cases, the final details must be confirmed in writing between clubs and communicated to VI as soon as possible.</p> <p>At the end of that window, the fixture change procedures laid out in section 5 below, shall be followed in all cases.</p>	
4.2	<p>Club Secretaries should ensure that all details relating to their home fixtures, as stated on the VI Website (<a href="http://www.volleyballireland.com">www.volleyballireland.com</a>), are correct, particularly if a match is rescheduled. In the case of any dispute over fixture arrangements (or rearrangements), the details as they appear on the VI website shall be deemed to be correct.</p> <p>If a change of fixture details is approved by the NLMC, it shall not be deemed to be effected until updated on the VI website.</p>	
4.3	<p>For all VI Competitions, matches must be played at venues that the standing Match Officials consider acceptable on the day of the match.</p> <p>Failure to provide a venue that is of an acceptable standard shall not constitute grounds for a match to be postponed – in such situations that match shall be considered a Forfeit by the home side.</p>	Schedule of fees
4.4	<p>A Team withdrawing from a fixture for any reason (save in truly exceptional circumstances) shall explain in writing to the NLMC the specific reasons for so doing, copying in the opposing Team/club at least five working days before the scheduled day of the Match. Such withdrawal from a Match shall</p>	Clauses 2.4.4

	<p>constitute a Forfeit by that Team, with penalties as laid out in the definitions above.</p> <p>Where a Team fails to fulfil a Match fixture, it may be required to pay any reasonable expenses unavoidably incurred by any of VI, the opposition Club and Match Officials. Such expenses will be considered by the NLMC on application by the VI Board, Club and/or match officials, as relevant.</p>	<p>Schedule of fees</p>
--	--	-------------------------

<p><b>5 FIXTURE CHANGES</b></p>		<p>Also refer:</p>
<p>5.1</p>	<p>It is the objective of VI and the NLMC that no changes to the Fixture List, as it appears on the VI website, shall take place. However, if a change is unavoidable (as determined in the first instance by the NLMC), then the following rules shall apply.</p> <p>For the avoidance of doubt, no changes of fixture shall be deemed to take effect until the relevant amendments have been published on the VI website.</p>	
<p>5.2</p>	<p>Once the fixture list has been confirmed by the NLMC and uploaded to the VI website, any changes must be requested in writing to VI on the agreed Fixture Change Request form, for approval, at least 10 working days prior to the scheduled date of the fixture. In exceptional cases, the NLMC may consider a fixture change within 10 working days of the scheduled date of the match.</p> <p>Whilst approval from the opposing Team is always welcome, the agreement of both Teams to a change of fixture does not, of itself, mean the change will be approved by the NLMC.</p>	
<p>5.3</p>	<p>Where VI approves a fixture change, the Club seeking that change must liaise with the Club Secretary of the opposing Club (or Team contact if the Club Secretary is unavailable), to reschedule the fixture within the timeframes confirmed by the NLMC.</p> <p>Once the details of the rescheduled fixture have been agreed, the home club/Team shall be responsible for rescheduling the logistics for the match, including venue and Match Officials, and shall confirm same in writing with the opposition Club, VI, and Match Officials at least 5 working days prior to the rescheduled date of the fixture.</p>	
<p>5.4</p>	<p>If no agreement can be reached between the Teams involved on a rescheduled fixture date within 5 working days of the initial authorisation of the NLMC, the Club seeking the change shall advise NLMC of same. In this situation, NLMC reserves the right to confirm a rescheduled date for the match to be played.</p>	

	<p>For the avoidance of doubt, the NLMC has no role to play in liaising with both clubs or negotiating details of a rescheduled match on behalf of either or both Teams – it is purely a matter for both Clubs to negotiate between themselves and agree a solution.</p>	
5.5	<p>No Match can be rescheduled beyond the closing date for matches in the relevant VI competition, unless approved in writing by the NLMC.</p> <p>If catchup dates are allocated in the VI Calendar and alternatives cannot be agreed by the clubs/Teams these weekends should be utilised for rescheduling such matches and, as such, Clubs should ensure that their players are available to play on catchup dates. For the avoidance of doubt, the only reason a Team should have for not being able to play on a catchup date is that a match has already been rescheduled for that date.</p>	
5.6	<p>Where the rescheduling of a fixture is approved by the NLMC, the Team initiating the rescheduling may be required to pay any reasonable expenses unavoidably incurred by any of VI, the opposition Club and Match Officials. Such expenses will be considered by the NLMC on application by the VI Board, Club and/or match officials, as relevant</p>	
5.7	<p>A fixture rescheduling will be permitted by the NLMC in the event of one or more players/coaches from a Team (or both Teams) are required by the Irish National Team (s) for an international tournament, competition or training camp.</p> <p>The same dispensation shall also apply in the event of a Club Team playing in an international fixture or competition approved by VI.</p> <p>Clubs affected by either scenario should notify VI and include evidence to support this, of the fixture(s) to be rescheduled at least 20 working days before the original date of the fixture(s). The Club concerned should indicate the personnel who have been selected.</p> <p>For the avoidance of doubt, Clubs should not assume that a match will be rescheduled automatically and needs to alert the NLMC to the issue in the first instance.</p>	
5.8	<p>If either Team deems the weather or other conditions too dangerous to travel to a Match, and an appropriate national authority has issued a weather/travel/safety warning, the opposing Team and Match Officials should be informed as soon as possible. The Match should be postponed, and details sent to the NLMC for consideration, including details of the official advice.</p>	

	If it subsequently transpires that no such advisory was issued, the Team who refused to travel shall be deemed to have forfeited the match, and clause 2.4.5 shall apply.	
5.9	<p>A change in the time of a Match, on the same scheduled day, does not constitute a change of fixture. However, in such situations, the Team requesting the change must ensure that:</p> <ul style="list-style-type: none"> <li>• Written confirmation of the change in times have been agreed by the opposing Team and Match Officials (where applicable),</li> <li>• The new time has been correctly updated on the VI website.</li> </ul>	

<b>6 MATCH PROCEDURES</b>		Also refer:
6.1	<p>All matches shall start between 1100 (i.e. 1030 warm-up) and 1800 (i.e. 1730 warm-up) on Saturdays and Sundays unless agreed in writing in advance with the opposition Team and the NLMC.</p> <p>In any situation where four NL matches are scheduled on the same day at the same venue, the first match can be scheduled for a 1030 start (i.e. 1000 warm-up) where the travelling team agrees the change, without the need for approval from the NLMC. However, consideration must be given by the home team to ensure that the team playing first and last are not the teams travelling the furthest to that venue on that day, unless those visiting teams agree to do so.</p>	
6.2	<p>Clubs should book a minimum of 2 hours playing time plus 30 minutes warm-up time all matches.</p> <p>Matches abandoned due to the facility having to close are deemed to be a failure to fulfil a fixture, and will be forfeited by the Home Team, unless the timings outlined above had been booked by the Club and written proof can be provided to that effect.</p>	
<b>6.3</b>	<b>'Home Team' Responsibilities</b>	
	<p>The Home Team or, in the event of a match at a neutral venue the designated home Team (unless otherwise stated) is responsible for the following actions on a Match Day:</p> <p>6.3.1 To set up the venue and equipment prior to the official warm-up time for each match. This includes but is not limited to the following:</p> <ul style="list-style-type: none"> <li>• A net system (with appropriate height per FIVB rules),</li> <li>• Referee's Stand,</li> </ul>	

	<ul style="list-style-type: none"> <li>• VI approved Match Ball(s) – these are currently blue and yellow Mikasa V200W balls,</li> <li>• Court markings sufficiently clear and to the Referees’ satisfaction,</li> <li>• Official Scoresheet and Scoreboard located on a scorekeepers table,</li> <li>• Rotation Slips,</li> <li>• Team Benches,</li> <li>• Net Antennae (required for all National League and Association Cup Matches).</li> </ul> <p>In the event of any queries, the First Referee’s decision as to the suitability of any of the above shall be final.</p>	
	<p>6.3.2 To ensure that the venue is sufficiently clean, heated and safe and that all equipment is in place such that warm-up can commence on time. In the event of any queries, the First Referee’s decision as to the suitability of any of the above shall be final.</p>	
	<p>6.3.3 To ensure that the rules and regulations laid down by the venue are always adhered to by all participants and spectators in that venue.</p>	
	<p>6.3.4 To provide all Match Officials not independently appointed by VI. A competent scorekeeper is a mandatory requirement, and assistant scorekeeper and line judges are optional.</p>	
	<p>6.3.5 Failure to adhere to the above by the Home Team or Designated Home Team will be subject to sanction and/or fine by the NLMC.</p>	<p>Schedule of fees</p>
<p><b>6.4</b></p>	<p><b>Pre-Match Procedures</b></p>	
	<p>6.4.1 Teams and Match Officials should arrive at the Match venue at least 30 minutes prior to the Match start time.</p>	
	<p>6.4.2 In the event that the First Referee deems the venue and/or equipment unfit for play, he/she shall advise VI and the NLMC in writing of the reasons for this decision no later than 5 working days from the date of the match, including details of who the matter was discussed with from the Home Team or Designated Home Team at the time.</p> <p>The NLMC shall decide within 10 working days of receipt of that notification as to whether the Match(es) should be forfeited or replayed, and decide on any related costs.</p>	<p>Schedule of fees</p>
	<p>6.4.3 The Referees must check the registration cards/printouts showing the registration number for all players and coaches, and the credentials of any medical personnel. In addition, they must also check sufficient Match Officials have been appointed, in addition to ensuring that Team kit is compliant.</p>	

	<p>If a player cannot provide details of their registration number, then the Referee may permit the player to take part in the match. If it subsequently transpires, however, that there was no valid cause for the player not having a registration number, the player's Team may be subject to forfeiting the match, as laid out in the definitions (page 3).</p> <p>By way of an example, a player is not provided with a registration number if they have not uploaded a suitable head &amp; shoulders photograph on their JustGo profile, the absence of which would make the referee's checks impossible.</p>	
	<p>6.4.4 Coaches are not permitted to coach a Team if they are not registered as a coach with VI or cannot provide details of their registration number. No coach is considered registered until they have been issued with a registration number, which may require them to upload documentation to JustGo. Coaches who coach juniors or vulnerable adults must be Garda Vetted and cleared for this activity. In addition, they must have completed a Safeguarding 1 course as required by VI (evidence of both must be uploaded to JustGo). Coaches who only coach adults are not required to successfully complete Garda Vetting (GV) and Safeguarding 1 but are encouraged to do so.</p> <p>Coaches are required to have paid for a valid coach license for the current season, and as a condition of securing this licence, agreed to abide by the Sport Ireland Code of Conduct (as a condition of securing their playing license).</p> <p>If it transpires that there was valid cause for the coach not having a registration number, the player's Team may be subject to forfeiting the match, as laid out in the definitions (page 3).</p> <p>For the avoidance of doubt, failure to upload required documents to JustGo shall be deemed the same as not having a valid registration. VI will be guided solely by documentation uploaded to JustGo, or lack thereof, when assessing the validity of a registration.</p>	
	<p>6.4.5 For every match, a Team may consist of:</p> <ul style="list-style-type: none"> <li>• Up to 12 players (which includes a maximum of two liberos),</li> <li>• One Head Coach,</li> <li>• A maximum of two assistant coaches,</li> <li>• One Team therapist,</li> <li>• One medical doctor.</li> </ul> <p>Only those listed on the scoresheet may enter the Competition/Control area and take part in the official warm-up and the match itself.</p> <p>The above stipulation replaces the relevant requirements of FIVB Rule 4.1.1.</p>	

	<p>6.4.6 Medical personnel will not be permitted to sit on the Team bench unless permission has been granted by VI or, in their absence, the Match Referees. Any medical personnel who do not have their documentation with them may sit on the Team bench, but may be subject to sanction by the NLMC, and such lack of documentation should be noted by the referees on the scoresheet.</p>	
	<p>6.4.7 In all matches the Referee shall ensure that, while normal warm-up times and breaks are permitted to Teams, there is no deliberate time-wasting by either Team.</p> <p>In the event of a Team being involved in a preceding Match (either playing or officiating), an additional break of 15 minutes may be granted, at the Referee's discretion, prior to the start of the next match warm-up period.</p>	
	<p>6.4.8 In the event of a Team failing to appear on court to play when the Referee calls the first six players on court, that Team shall forfeit the first set 0-25.</p> <p>In the event of a Team failing to appear on court to play within 15 minutes of the Referee calling the first six players on court shall forfeit the match, as laid out in the definitions (page 3).</p>	Schedule of fees
	<p>6.4.9 Any reasonable verified expenses incurred by a Team or appointed Match Officials, due to the late arrival of the opposing Team shall be paid by the opposing Team. Where the delay is due to the late arrival of the Match Officials (or replacement Match Officials), any such costs shall be met by the Home Team, unless the appointments were made by VI.</p> <p>Any such expenses must be submitted in writing to the NLMC for approval.</p>	Schedule of fees
<b>6.5</b>	<b>Post-Match Procedures</b>	
	<p>6.5.1 If a dispute arises during the Match, and a Team captain wishes to have a comment or objection recorded on the scoresheet, he/she must inform the Referee of same when the incident occurs. The First Referee will enter a short note about the incident on the scoresheet at the conclusion of the Match. The Team captain must, through their Club Secretary, submit a written report to VI within 10 working days of the date of the match if they wish any action to be considered or taken.</p> <p>Failure by the Referee to enter a note on the scoresheet shall not prevent the Referee from later providing a report to VI on any matter.</p>	
	<p>6.5.2 Where the First Referee is of the opinion that any of the Match Officials provided by the Home Team falls short of acceptable standards for the Match, or insufficient officials were provided as required in the rules, then the Referee will note same on the scoresheet – the NLMC may issue a fine to the Home Team in these circumstances, depending on the circumstances of the Match.</p>	
	<p>6.5.3 It is the First Referee's responsibility to hand out the scoresheets to the Teams at the end of the Match. It is the responsibility of the Teams to ensure</p>	

	they have received the scoresheet, and they should keep a copy for their records, in the event of a subsequent score or player query arising.	
	<p>6.5.4 After the Match is completed: The winning Team shall notify the result of the match to VI (by emailing a photo of the scoresheet to <a href="mailto:scoresheet@volleyballireland.com">scoresheet@volleyballireland.com</a> or via WhatsApp to 0858725946) before 2200hrs on the day of the match. For midweek matches, the deadline shall be 1200hrs on the day following the match, although Teams should still make every effort to notify the result of the match on the same day. Please note that the NLMC may fine Teams for non-compliance, or issue points penalties for repeated non-compliance.</p> <p>The winning Team shall be responsible for the return of the top copy of the scoresheet to VI's offices, to arrive by 1600hrs on the fourth working day after the Match takes place. For the avoidance of doubt, this means that whilst winning clubs may post multiple scoresheets to VI at the same time, these sheets should not be saved up over a prolonged period. Please also note that VI may fine Teams for non-compliance, or issue points penalties for repeated non-compliance.</p> <p>The Home Team shall ensure that the Referees appointed to the Match are remunerated appropriately. Any additional expenses accrued by referees in this regard will also be reimbursed by the home Team but only if agreed in advance of the Match taking place.</p>	Schedule of fees
	6.5.5 A Team reduced to 5 players or fewer during a Match, due to player injury or disqualification shall be determined to have lost the Match but shall retain any points and sets won.	
	6.5.6 If a Team wishes to make a complaint that does not constitute an official protest (see section 12) they must submit their complaint, through their Club Secretary, to VI using the appropriate report form, that will be available from the VI website.	
<b>6.6</b>	<b>Clothing Regulations</b>	
	6.6.1 VI permits players to wear skin-tight undershirts beneath their jerseys and/or leggings under shorts. However, these must be the same colour as the predominant colour of the player's jersey or shorts respectively. Notwithstanding the above restrictions, players may wear compression pads at the discretion of the Match Referee.	
	6.6.2 A player playing in the Premier Division may play in irregular shorts (defined as shorts not matching in style and colour to those worn by the players Teammates), but this must be noted by the Referee on the scoresheet, and the player(s) concerned shall be subject to a fine by the NLMC.	

	6.6.3 Irregular shorts (defined as shorts not matching in style and/or colour those worn by the players Teammates) are not permitted in the Association Cup.	
	6.6.4 Lower Division Teams are permitted to wear irregular shorts (defined as shorts not matching in style and/or colour those worn by the players Team mates) without penalty.	
	6.6.5 No player shall be permitted to play without a jersey numbered both front and back. The font and colour of the numbers must be uniform across the whole Team (except the Libero, who may have a different coloured jersey). Jerseys can be numbered from 1- 99 inclusive. Shorts need not be numbered, but must conform with rules 6.6.2 to 6.6.4 above, as appropriate.	Clause 6.6.2, 6.6.3, 6.6.4
<b>6.7</b>	<b>Referees &amp; Refereeing</b>	
	6.7.1 All Clubs must have at least one qualified, active, registered Referee per Team defined as follows: <ul style="list-style-type: none"> <li>• <i>Qualified</i> – the referee has attended the minimum of a VI Grade 3 referees’ course and, within the last three seasons, attended a VI referee refresher course.</li> <li>• <i>Active</i> – the referee has officiated in more than three National League matches at their grade (as either First or Second Referee) during the immediately preceding 12 months.</li> <li>• <i>Registered</i> – the referee is in possession of a current VI referees’ number, which is issued to those who have a current referee’s licence for the season in progress.</li> <li>• Agreed to abide by the Sport Ireland Code of Conduct (as a condition of securing their playing license).</li> </ul> <p>Failure to officiate in more than three matches in a season may result in a regrading or reassessment, although VI will consider such matters on a case-by-case basis.</p>	
	6.7.2 Any Team with a non-playing, non-coaching active Referee registered with the Club may apply to VI for exemption from Rule 6.7.1 above. In this instance, such a Referee can be considered as adequate cover for two Teams. However, this exemption would only apply if the Referee has officiated in more than 10 matches at their grade (as either First or Second Referee) during the immediately preceding 12 months, has attended a VI referee refresher course within the last 3 seasons, and meeting the “Registered” requirements in 6.7.1 above.	

	<p>Applications for exemptions under this clause must be submitted in writing to VI, and each application will be considered on a case-by-case basis.</p> <p>If this exemption is granted, the expectation is that this referee will officiate in at least 10 matches in the coming 12-month period. Failure to do so without good reason may result in future exemptions being withheld.</p>													
	<p>6.7.3 Where not centrally appointed by VI's Referees' Management Committee (RMC) it is the responsibility of the Home Club to appoint appropriately graded registered Referees. Home Teams must notify VI by email on <a href="mailto:info@volleyballireland.com">info@volleyballireland.com</a> of their Referee appointments three working days before the Match. Failure to appoint suitable referees may result in the Home Club being subject to a fine.</p> <p>The RMC shall note the appointments made but may liaise with clubs in relation to switching appointments with other matches in situations where promotion and/or relegation implications are directly in play, where a Team(s) may achieve certain objectives with particular results, for disciplinary reasons or any other situations where referees not affiliated to the competing Teams may be more beneficial to the running of the match.</p>	<p>Clause 6.7.4</p> <p>Schedule of fees</p>												
	<p>6.7.4 Appropriately qualified referees should be appointed to matches as follows, according to their grade:</p> <table border="1" data-bbox="331 1151 1110 1317"> <thead> <tr> <th></th> <th><b>First Referee</b></th> <th><b>Second Referee</b></th> </tr> </thead> <tbody> <tr> <td><b>Premier Division</b></td> <td>G1 or above</td> <td>G2 or above</td> </tr> <tr> <td><b>Division 1</b></td> <td>G2 or above</td> <td>G3 or above</td> </tr> <tr> <td><b>Division 2</b></td> <td>G3 or above</td> <td>G3 or above</td> </tr> </tbody> </table> <p>Please note that a National Grade Referee has the authority to permit a Referee that is one grade lower than the required match level (as indicated above) to officiate under their supervision. The National Grade Referee must arrange with the Home Team for this arrangement to be made, in accordance with 6.7.3 above. This initiative is intended to place more value on the status of National Grade Referees and to encourage the opportunity to develop, mentor and coach Referees under their guidance in a competitive match environment.</p>		<b>First Referee</b>	<b>Second Referee</b>	<b>Premier Division</b>	G1 or above	G2 or above	<b>Division 1</b>	G2 or above	G3 or above	<b>Division 2</b>	G3 or above	G3 or above	<p>Clause 6.7.3</p>
	<b>First Referee</b>	<b>Second Referee</b>												
<b>Premier Division</b>	G1 or above	G2 or above												
<b>Division 1</b>	G2 or above	G3 or above												
<b>Division 2</b>	G3 or above	G3 or above												
	<p>6.7.5 If the Home Club is unable to find a suitably graded Referee for a match and has exhausted all options, they must notify VI <b>a minimum of three working days prior to the fixture</b> with details of all those who have been contacted and when, and a proposed lower grade Referee who is available and willing to officiate. If VI is unable to assist with finding a Referee of a suitable grade it may, in conjunction with the RMC, permit an exemption to be granted in allowing the lower grade Referee to officiate, as a one-off. Both Teams will be advised of this decision.</p>													

	<p>Clubs are advised that any dispensation being granted on this basis by the RMC should not be considered as grounds for setting a precedent, and that postponing a match based on not being able to find suitable Referees is not a valid reason.</p>	
	<p>6.7.6 Where a Referee issues a card, records an objection on the scoresheet or a Match is Forfeit, he/she must notify VI in writing on <a href="mailto:info@volleyballireland.com">info@volleyballireland.com</a> within three working days of the match. This correspondence should give details and relevant circumstances of incident.</p> <p>In the event of a card(s) being issued, the details <u>must</u> be accurately and legibly recorded on the scoresheet, including details of whether the card should apply to a player or Team. Failure to do so may result in such cards not being logged against the offending player(s). This should be included as part of the First Referee’s post-match checks, before signing off on the scoresheet.</p>

<p>7.3</p>	<p>Perpetual trophies must be engraved at the winning Club’s expense. <b>3</b>	<b>Match Suspensions</b>								
	<p>3.1 Suspensions apply to the next match(es) in all VI competitions. It is the responsibility of each Team to monitor disciplinary points accumulated by each player and Team. In the event of a suspended Player taking part in a match, that match will be forfeited by the player’s Team, with the forfeit dealt with as laid out in the definitions above. Please note that ignorance of these Rules in relation to disciplinary matters is not a sufficient defence to play a player who has passed a suspension threshold and has not served the relevant suspension.</p> <p>Teams are encouraged to seek clarification, if necessary, on the disciplinary status of any players within their Club, and such queries should be sent to VI in the first instance no later than 3 working days prior to a match if a player’s suspension is in question.</p> <p>For the avoidance of doubt, if a player earns a suspension for conduct in a National League match on a Saturday, they are suspended for a Cup match if scheduled for the Sunday.</p>								
	3.2 Suspensions will be confirmed to the Club Secretary and the Player by VI in due course.								
	<p>3.3 Disciplinary points are not carried forward from one Indoor Season to the next. However, if a Player, Coach or Medical Personnel has any unresolved match suspension at the end of a season, then this unspent match suspension shall be carried forward to the following Indoor Season.</p> <p>In this scenario, the Club <b>must</b> inform VI in advance of the match(es) in which the suspension will be served. Failure to do so will result in the Player/Team/Medical Personnel being suspended from the point at which the Club alerts VI to this fact.</p> <p>Please also note that a match in which the individual is not available for selection through injury, being outside the country or similar reason, <u>does not</u> count as a match served.</p>								

	<p>3.4 In addition to Clause 3.3, if a player should move clubs from one Season to the next, any unresolved match suspension shall move with the player. This should be highlighted on the Player Transfer form, which will be checked by VI prior to approving that Transfer.</p>
<p><b>4</b></p>	<p><b>Misconduct</b></p>
	<p>4.1 A Player, Coach, Medical Person or supporter whose actions prior to, during or after a Match are considered to bring the game into disrepute should be referred to VI in the first instance, who may escalate the matter to the PADACC.</p>
