# Roles

We need lots of help.

Perhaps you're available the whole time, or maybe just for a day, or even half a day.

We'd love to help.

Each day is split into 2 x sessions, early means Games 1&2 (1230+1500) and late means Games 3&4 (1730+2000). You can volunteer for a full day or session.

## Line Judge

We need 2 x line judges per match to get the best seat in the house and play an active role in the matches. You'll be on court with the best young players in the world.

## E-Scorers

Keeping score is vital. We need scorers that have used the e-scoring system and are comfortable working in a European Championship finals.

## Organisation Assistants

We require a couple of people to act as assistant to the CEV Supervisor and other officials. This will require driving them to and from the hotel and handling various requests. You'll need to be available all day, every day.

## Event Crew

Event crew will do a number of jobs over the day including general stewarding, ticket checking, stocking changing rooms, front of house. It will be great fun!

## Team Guide

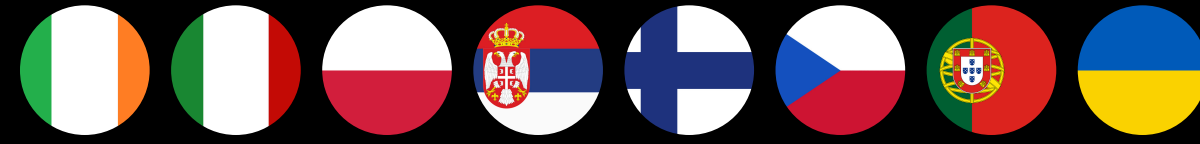

Team Guides will be the main point of contact for the teams. You'll attend training, chaperone the teams to matches and help them solve problems whilst in Ireland. Team Guides must be available all day, every day from Aug 4-13th.

## Media and Live Stream

We need help telling the story of the Championships. You'll help with social media stories or perhaps you'll be a camera person.. We'd love commentators who can speak the language of some of the teams taking part.
