PLEASE NOTE – THIS EMAIL WAS CIRCULATED TO THOSE CLUBS WHO HAD ASKED FOR TRAINING/HELP ON THE TEAM ENTRIES FORM

Dear all

Further to previous correspondence, I can confirm that a session has been now confirmed with Gianni at Genius Sports to show club users how to operate the e-scoring software, in advance of the coming season. It will be held next Monday, 23rd September, from 7pm online.

With apologies for the short notice, but by arranging the session sooner rather than later, it ensures clubs have the maximum time available to test and practice the system before the season begins in early October.

As you had previously indicated you needed additional support in rolling out the e-scoring, I am giving you first option to send up to two people to this session, which will be run online.

For those people within your club that wish to attend, please ask them to complete the attached form - <https://forms.office.com/e/rsvVqDRJ76>

Finally, you will have noticed that financial sanctions will be applied this season for non-compliance with e-scoring, so please make every effort to ensure you are represented at the meeting. Also to clarify, e-scoring is mandatory at Premier, Division 1 and Division 2 levels, but not below that, and for the Association Cup & Shield.

Any queries, please let me know asap
Kind regards
