

CLUB COMMUNICATIONS 2024-25 SEASON

Date Sent	19 th September 2024
Subject(s)	NL Fixtures Update

Dear all

Please find attached the fixtures, as of lunchtime today. With only one club to respond we're at just over 90% confirmed.

Next steps are for you to check the information listed is correct (apologies for my mistyping if there are any gremlins) and to confirm all remaining TBCs by close of play on Sunday 29th September. If any of your away games may be problematical, then please engage with your opponent to see if an alternative might be available – but please bear in mind it might not. Any changes that need to be made after the 29th will require completion of the fixture change request form.

If there is an issue with finalising a fixture on a particular date, please consider alternatives, including flipping home and away games, or using a catchup weekend.

Whilst in touch, a few other items for your consideration:

AFFILIATION FORM – A number of clubs are still to complete the affiliation form for the coming year. Without that information, we cannot hold up to date contact information for your club or arrange your insurance coverage for the year. To complete the form, please click on the following link - <https://forms.office.com/e/MdnEUVSSr1>. This is a mandatory requirement for taking part in competitions, so please don't delay.

WEBSITE – I am in the process of uploading fixtures to the website. Please check that the information on the website is correct – noting that the time listed is the match start time. In addition, if your team logo/crest is out of date or missing, please send the current version through to me asap so that I can upload it.

PLAYER ALLOCATIONS TO TEAMS – I have also started the process of uploading players to the E-Scoring platform, so that we are ready to go live for MD 1. For those who weren't aware, there is an additional step in the player registration process this year, and that requires your admin on JustGo to allocate your players to the "NL teams" listed on your club's profile. Players cannot be issued with player numbers until allocated to one of those JustGo NL teams, so please don't leave this to the last minute.

As always, if you have any other queries, please let me know.
