

## CLUB COMMUNICATIONS 2024-25 SEASON

Date Sent	25 <sup>th</sup> July 2024
Subject(s)	National League Team Entries 2024-25 – Reminder

Dear all

One final reminder of tomorrow's closing date for team entries for the coming season. The intention is for the NLMC to meet in the coming week or so to finalise competitions and move arrangements on. Thanks to those who have already done the necessary.

I'm aware of at least two clubs who are already under varying degrees of pressure to finalise dates etc, so your prompt response would be appreciated by all. This deadline matches last year's and we were ready to start the season promptly 12 months ago, so hopefully we'll have the same outcomes this time round.

To save looking for it, the link to enter teams is <https://forms.office.com/e/GHJ1Xzf3Tg>

With the European Championships fast approaching, and arrangements building towards that, please don't assume we'll come chasing next week.
