

CLUB COMMUNICATIONS 2024-25 SEASON

Date Sent	29 th August 2024
Subject(s)	National League 2024-25 – Final Reminder

Dear all

Just a final nudge to ensure that all team entries are confirmed and paid for by tomorrow's 5pm deadline.

Trying to collate a 64-team fixture list that aligns with each club's individual requirements is a monstrous task, for which we cannot wait for stragglers who don't meet this deadline.

Within this circulation are Premier Division clubs, and as the fixture lists starts at the top and works its way down the divisions, we simply cannot start the fixture planning process yet and, ultimately, it is the other clubs who will complain about those delays.

If you can no longer meet the team numbers you previously advised, now is the time to tell us, but please do the necessary as soon as possible to ensure that the season's planning can continue without unnecessary delay.
