Dear all

Hope all well with you.

Just a few updates:

FIXTURES – Any changes of date / venue on fixtures now need to be requested through the fixture change form (copy attached).

PLAYER REGISTRATIONS – With the first matchday weekend fast approaching, please note that the cut off for player registrations for MD1 is tomorrow. As previously advised, the registration process now includes your JustGo admin adding your players to the NL teams listed on your club profile and, once that has been done, I can then allocate a player number. For the avoidance of doubt, this means that if a player is not listed on those NL team lists, they will not be issued with a player number – which means they will be ineligible to play.

On a related matter, and noting the requirements of Rule 1.10, clubs are required to ensure that each of their teams has 8 players registered against it. To that end, I attach a breakdown of how many players have so far been allocated to each of your teams.

PLAYER TRANSFERS – We are still seeing players transferring clubs by simply changing their clubs on JustGo. Please ensure that if anyone has joined your club this season that they have completed the transfer request process. If you are wishing them to play this weekend, then the transfer process also needs to be completed by tomorrow latest, so please don't delay.

REFEREE APPOINTMENTS – Just a reminder that if you are hosting this weekend, please send your ref appointments asap.

CLUB AFFILIATION – Affiliation form responses still awaited from Dalkey, Kilkenny Spartans, Longford and Naas Cobras. We need these completed to be able to issue you with your club insurance. The deadline was 13th September so please make this a priority! The link to complete the form is <https://forms.office.com/e/MdnEUVSSr1>

Any queries, as always, please let me know asap.
